Hi Martin and Carl – Here are the updates for SLT that we discussed this morning.

Uintah and Ouray (U&O) Proposed FIP

Per a recommendation from Mike Koerber late last week, Monica contacted Aaron Szabo, the OMB contact for the Uinta Basin FIP, late on December 15th. Mr. Szabo said that his priority is to review final rule actions, but that the revised proposed U&O FIP the Air Program sent on December 9th was back in interagency review and there would likely be more comments. The Air Program is not sure what conversation Janet McCabe had with her OMB contact about the FIP.
